Will is such a Rude Boy...

by XtinaMonster

Summary

Hannibal and Will know each other before the start of the series and while everyone at the FBI thinks that Will is getting into the minds of other killers, he's actually just reliving the murders that he has committed himself.

Notes

Sooooo hurray for my first Hannibal type post... this will be to first part of a however many videos I decide to make this collection XD

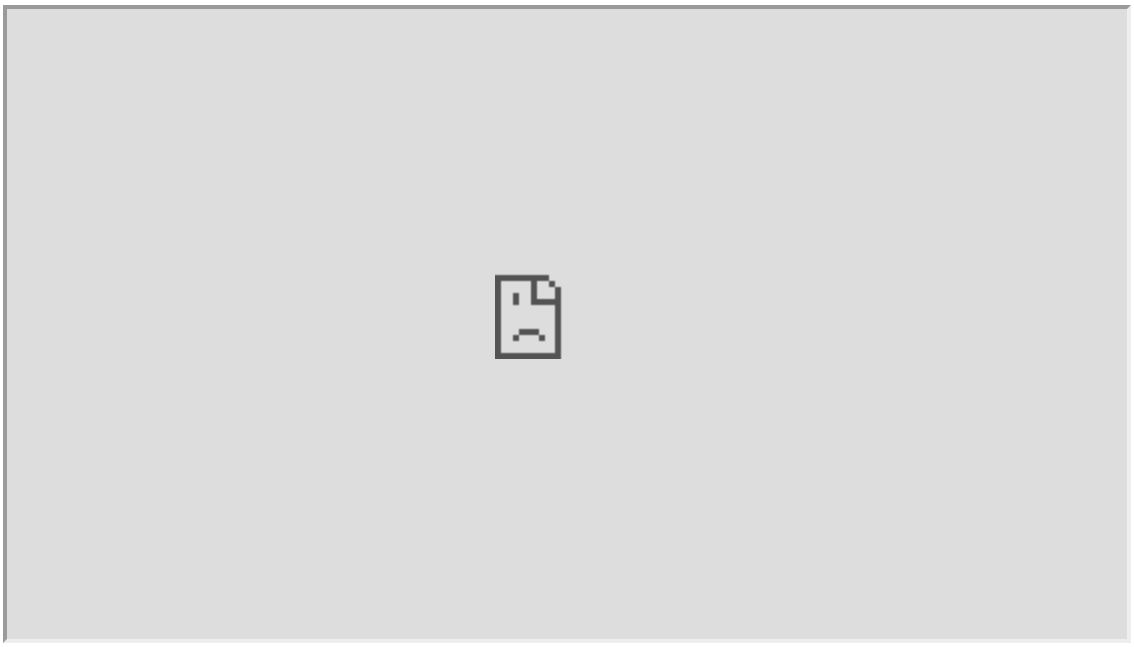
I own nothing and am, of course, making not money from any of these things.

Clips are from Season 1 ONLY! Song is a classical cover of Rude Boy by Rhianna, done by Aston.

See the end of the work for more notes

Hannibal and Will know each other before the start of the series and while everyone at the FBI thinks that Will is getting into the minds of other killers, he's actually just reliving the murders that he has committed himself, providing Hannibal with items for their meals.

After meeting Abigail the two decide to go from Murder Husbands to become a Murder Family, bringing her into the fold. Everything seems like it is going well at first until it's pushed for Abigail to be placed in the foster system. Needless to say the two don't take to kindly to this and decide that the potential adoptive family must be gotten rid of after Abigail harms herself thinking she'll be separated from her new fathers.



End Notes

This started out as a request from an Anon for a Murder Husbands video and sort of evolved into this. And you'll notice that I only used clips from season 1 because I plan on there being a part 2 using the second season. Also this my first adventure into Hannigram videos or even posting anything Hannigram related, so I hope all my fellow Fannibals enjoy!
